

TIME & TALENT REGISTRATION

There are so many ways in which you can help support your PTA – by completing this form you will be letting us know a little about yourself that might help us, and the school, to know who to turn to for help and advice.

What can I offer? We believe that every parent has something to offer, and everyone's time is equally as valuable to us. Here are some suggestions: You may have a trade that we want to learn about – a Vet, a Dentist, a Fireman, a Curator of a Museum? You may be a keen gardener who can assist the children with our allotment visit? You may have needlework skills or be a budding photographer who can help out with our school productions? Maybe you just have some time to spare and can help with walking the children when required (allotment visits, swimming lessons, church services)? Even if you work during the daytime there are often occasions that the PTA need help to run evening or weekend events (Pamper nights, Party in the Pit, Bonfire Night). We never turn away a volunteer and it's a great way to meet other parents and make new friends.
