

## MATCH FUNDING FOR YOUR SCHOOL

We have had a tremendous response to our request for match funding. Last year, 2017/2018, we raised nearly £12k through match funding! We would, however, be grateful if all parents asked their employers if they are able to match fund upcoming PTA events e.g. bonfire night, film night, the ball or PTP.

All we ask is this: ***please pick up the phone to HR / Community Relations to see if they run a match funding scheme.*** St Nicks is an educational establishment and we have been successfully approved by a number of major corporate organisations such as **Barclays, Cazenove, Deutsche Bank, Ipsos, RBS, Royal Bank of Canada and Santander.** Just reading the small print may put you off so, if your company runs a scheme, please contact us on [chislehurstpta@gmail.com](mailto:chislehurstpta@gmail.com) and we will be happy to talk you through it. Some companies may also run employee participation grant schemes, so it's worth asking.

Parents have raised amounts ranging from £250 to £5,000 so it's definitely worth asking, particularly the major corporates. **It doesn't cost you, the parent, a penny and it's tax efficient for the employer** whilst ensuring their Corporate Social Responsibility targets are met. It's a no-brainer, really!
