Our community is not just a community of believers, it encompasses all, 'For just as the body is one and has many members, and all the members of the body, though many, are one body, so it is with Christ.' (1 Corinthians 12:12).

Introduction

This policy incorporates the aims and values of Chislehurst CE Primary being that every child is unique and deserves to reach their potential through the provision of suitable education. The committed to address and overcome socio-economic factors – or any other external factor – which may hinder pupil progress and attainment, and ultimately affect their life chances.

The Government believes that the pupil premium, which is additional to main school funding, is the best way to address the current underlying inequalities between children eligible for free school meals (FSM) and their wealthier peers by ensuring that funding to tackle disadvantage reaches the pupils who need it most.

The School recognises that not all pupils who are eligible for pupil premium are underachieving, while some pupils may be underachieving and not eligible for pupil premium funding. It is the School's policy to plan, adapt and prepare for any individual, or group, in which any area of under-performance is evident. This policy is not used to displace current strategies to intervene and support its pupils. Some pupils may be achieving well, but will be entitled to funding to enhance their future educational aspirations and achievements.

The Aquinas Church of England Education Trust (the Trust) recognises its responsibility to ensure that the School fulfils its statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment. This responsibility is delegated to the Head Teacher of the School. The Trust monitors the use of the pupil premium funding.

Statutory Framework

Pupil Premium has been allocated to the School and is clearly identifiable in the budget. The School decides how the pupil premium is spent and is accountable for how the funding has been used to support pupils from low-income families.

Additional funding is received for pupils in receipt of FSM, for pupils in care, who have been continuously looked after for six months and those adopted from care and children of service personnel.

Aims

The targeted and strategic use of pupil premium funding will support the School in achieving its aim of helping all pupils achieve their full potential. To do this, the School will ensure that the pupil premium funding reaches the groups of pupils for whom it was intended and that it makes a significant impact on their education and lives. The School will:

- Provide all pupils with fair and equal opportunities to achieve and excel in all areas of the curriculum; using and applying the most effective pedagogy supported by use of pupil premium funding; closing the attainment gap between our disadvantaged pupils and their peers and accelerating their progress.
- Work in partnership with families and pupils eligible for pupil premium, to plan, monitor and evaluate support and intervention in order to secure individual progress and achievement.
- Support and nurture our children from armed forces families to cope with the emotional and other stresses of military life; assessing and addressing their needs.
- Work with external partners and organisations to provide additional support for the social, emotional, health and wellbeing of all pupils with potential barriers to learning and achievement.

- Ensure the School fulfil statutory responsibilities to make effective use of pupil premium funds in order to impact positively on pupils' achievement and attainment.

Although the use of Free School Meals (FSM) is a generally reliable and nationally accepted method of identifying socially or financially disadvantaged pupils, the School recognises that:

- Not all pupils who receive FSM are socially disadvantaged.
- Not all socially disadvantaged pupils are registered for FSM.

Thus, the School reserve the right to allocate the pupil premium to support any pupil identified as being disadvantaged, following a needs analysis.
