

Supporting St Nick's through regular giving

Every donation stays with St Nick's and makes a difference to our children.

Every year, the generosity of St Nick's families enables the PTA to provide significant financial support to our school, helping to fund resources, opportunities and experiences for our children.

Where does your money go?

Each year, the PTA contributes £39,000 to the school - £13,000 every term. On top of this, fundraising allows us to support additional projects and resources.

In 2024/25 alone, we provided more than £16,500 of additional support, including Forest School, 10 iPads, sports equipment and athletics, an interactive whiteboard, maths books, music and SEN resources.

Why regular giving?

Regular monthly donations give us a dependable source of income and help us plan ahead. Our aim is for regular giving to support the PTA's £39,000 annual contribution, allowing more of the money raised through events to go towards additional projects and opportunities for our children.

If every family contributed around £17 per child per month, together we could reach this target. But every amount helps - £5, £10 or whatever works for your family all adds up.
